

STELLA MARIS PRIMARY SCHOOL (1663)

Enrolment Scheme

The school's maximum roll will be managed within the maximum roll prescribed in the school's Integration Agreement. The number of places available for non-preference students will be governed by the maximum allowable in the school's Integration Agreement.

ENROLMENT PROCEDURES

The Board of Trustees of this school has adopted an enrolment policy and formulated the procedures which follow for the enrolment of new students. There is no restriction on who may apply for entry, provided they fall within the legal description in the school's Integration Agreement.

The school currently receives more applications than there are places available. Consistent with the Special Character of the school, preference will be given to families who have an established connection with the Catholic Church. Preference of enrolment is established by the Parish Priest or designated agent of the proprietor in accordance with the revised guidelines approved by the Catholic Bishops of New Zealand in 2018.

PRIORITY IN ENROLMENT

PRIORITY 1

Preference applicants having an affiliation with the Parish of Hibiscus Coast as evidenced by the preference form. If there are more applicants in order, places available in Priority 1, the following sub-priorities will operate:

- (i) applicants who are children of Stella Maris Catholic School Board employees
- (ii) those whose siblings are already enrolled
- (iii) those who are siblings of former preference students
- (iv) those who are transferring from outside of the North Shore area into the Hibiscus Coast Parish and who are already enrolled at a Catholic School.
- (v) date of receipt of enrolment application.

PRIORITY 2

Preference applicants not having an affiliation with the Parish of Hibiscus Coast but who are siblings of current students and are not covered by Priority 1.

PRIORITY 3

Preference applicants having an affiliation with any other Catholic Parish other than 1 (iii) or 1 (iv)

PRIORITY 4

Non-Preference students.

If there are more applicants than places available, the following sub-priorities will operate

- (i) siblings of non-preference students
- (ii) all non-preference students, based on date of pre-enrolment

PRE-ENROLMENT:

The pre-enrolment close off date will be the last day of August. Applicants will be advised of the outcome of their application during October of the year preceding enrolment.

If the total number of applications is greater than the number of places available, unsuccessful applicants will have their names recorded on a waiting list, within their relevant priority category. Students on the waiting list may be offered places at a later date if places become available according to the year level where the vacancy has arisen. The waiting list will remain current until the board next notifies the public that it is inviting applications for the next enrolment year.

The Board delegates to the Principal, as professional leader of the school, the responsibility to administer this enrolment scheme. This may be undertaken, as appropriate, in consultation with the Parish Priest of Hibiscus Coast.
